

PAPA'S
{fish market}

**SEAFOOD
CATALOGUE**

Fresh off the hook!

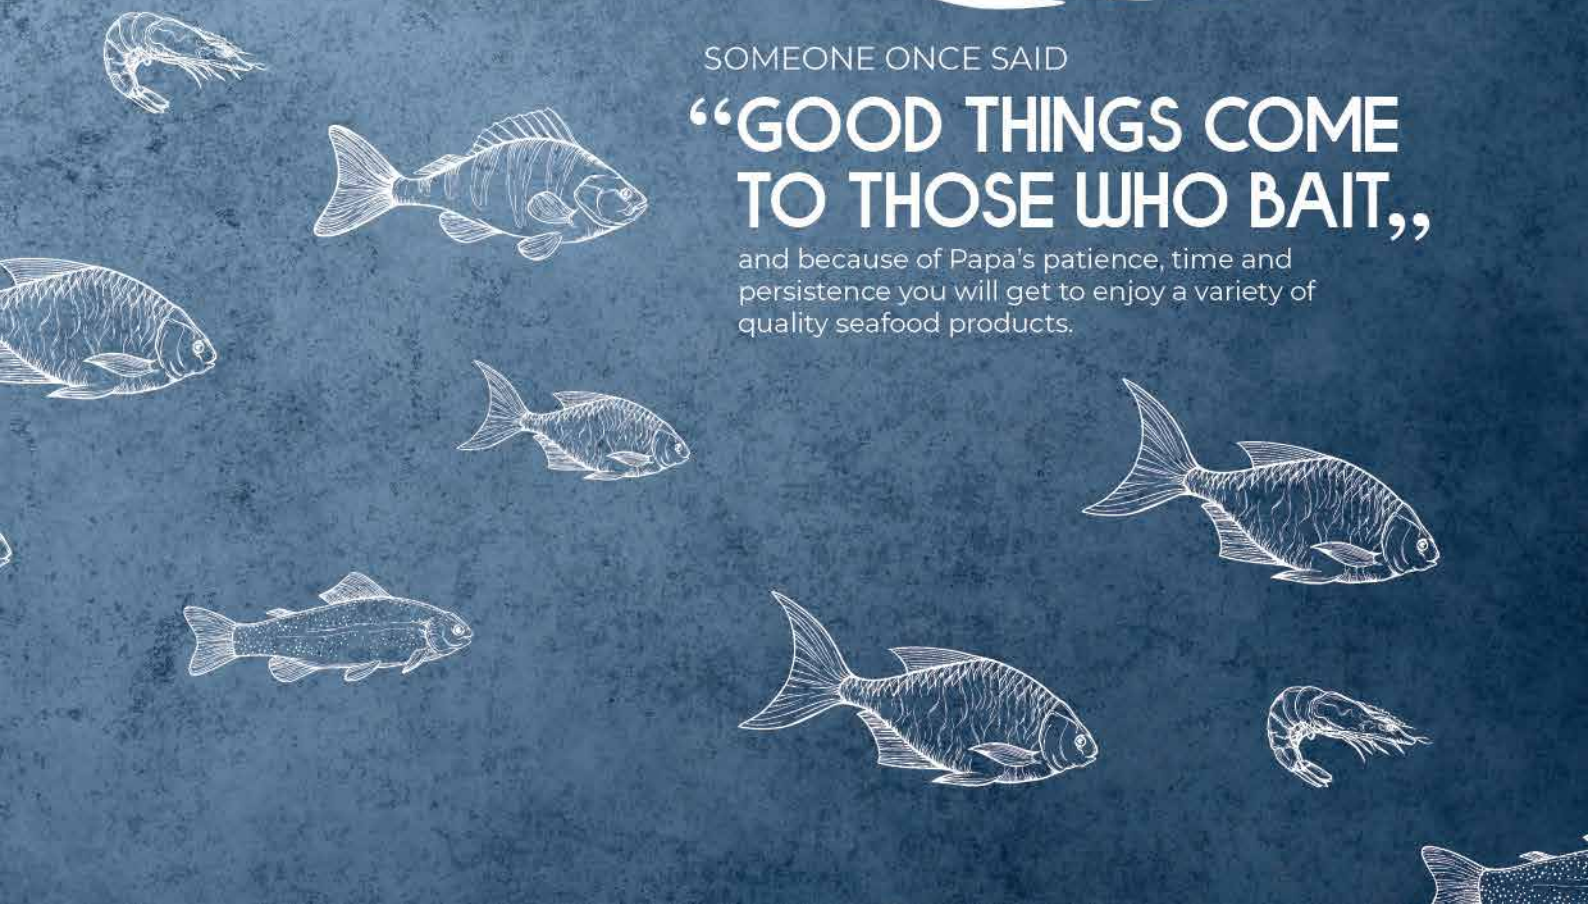

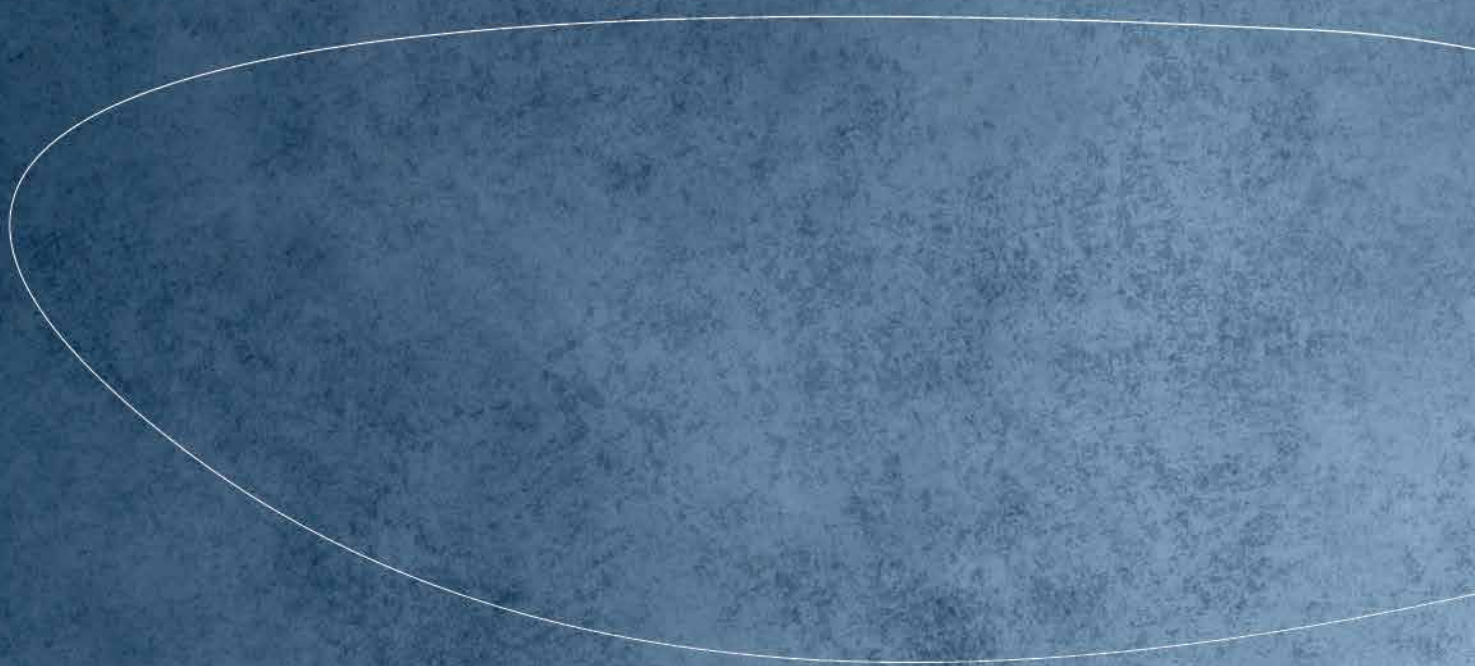

SOMEONE ONCE SAID

**“GOOD THINGS COME
TO THOSE WHO BAIT,,**

and because of Papa's patience, time and persistence you will get to enjoy a variety of quality seafood products.

It is with passion that Papa's goes out to sea and catches the fish that is guaranteed to make you crave more.

Papa's Fish Market is bringing you the whole sea... for any and every occasion.

If you're looking to meal prep, our canned tuna and seafood would be a great addition to your salads. However, if you're looking to whip up a quick and delicious meal, we have frozen breaded burgers, filets, shrimps or calamari rings (also usually very popular with kids!). If you're hosting a fancier dinner, you can opt for our smoked salmon, our mussels or even our crab to prepare your own sushi rolls after having served your guests Papa's seafood cocktails.

Papa's got it all - Papa's reeled in the freshest, most flavorful fish from the waters straight to your home.
